The customer is responsible for the return charges. Customers in Finland are recommended to use the included return label and a 10 € shipping cost will be deducted from the total refund amount. The goods must be packaged so that they do not become damaged during transport. The goods can be returned by post, and customers are advised to request a receipt to prove the return. Mioona does not accept COD returns. We will refund the price paid for the goods within 14 days of receiving the notification of cancellation at the latest. We have the right to withhold the refund until the returned goods have arrived or the customer has established that the goods have been returned with, for example, a return receipt.

We will refund the payment using the same payment method as the customer used for the original purchase.
